

### Skin | Energizing cucumber gel | de-puffing eye cream | SC-EYE-002-08 | tube

Nothing can replace eight hours of sleep – except for this eye cream, which helps reduce puffy, tired-looking eyes. Enriched with caffeine and cucumber extract, this light formula cools and revitalizes eyes for a vibrant and awake look. Additionally, the contained 6684 Jasmine Wax and 6427 Megasoft Complex protect and nourish the sensitive skin throughout the day.

Phase	Tradename	INCI (EU)	Supplier	%

Lime & Blackcurrent Preservative		Parfum	Vanessence	0.30 q.s.	

#### Procedure

Solve Ecoslim in phase A ingredients for 15 minutes. Disperse phase A1 in A and stir until homogeneous, then heat to 75 °C. Heat phase B separately to 75–80 °C. Add phase B to A/A1 and homogenize for 1 minute. Add phase C and cool to 40 °C. Add phase D and cool further to RT. Fill into suitable packaging.

#### Specification values

Appearance: pale green lotion

pH value: 6–6.5

Viscosity (Brookfield: RV; speed: 20 rpm; Sp T-B): 4,200 mPas

Stability: passed three months at RT, 40 °C, and 50 °C
